

## Packing List

It's time to get ready! Beau Soleil is located in a beautiful mountain resort and weather conditions can vary greatly and quickly.

All personal belongings brought to camp should be labelled with the camper's full name with wash resistant labels. You can order the labels or stamps online on [www.stuckonyou.com](http://www.stuckonyou.com), who deliver worldwide.

- |                                                                            |                                                                                        |
|----------------------------------------------------------------------------|----------------------------------------------------------------------------------------|
